

Worship Without Barriers

Make inclusion effortless for your entire faith community with real-time captions and translations.

What

Sorenson Forum provides
real-time captions and translations
for religious services, making worship accessible to all.

Why

Accessibility for All

Forum improves inclusion for Deaf, hard-of-hearing, and English-as-a-second-language members.

Community Connection

Breaks language barriers so everyone can participate fully.

Who

House of Worship

Churches, synagogues, mosques, and temples seeking to welcome and include their **entire community**.

When

Any Gathering

Use Forum during services **(in-person or online)**, bible studies, prayer meetings, and special events.

Supports 25+ Languages

Including Spanish, Mandarin, Korean, Portuguese, & more.

No Extra Hardware Needed

Works on phones, tablets, and computers.

Cost-Effective

Eliminates the need for multiple interpreters or complex tech setups.

Builds Inclusive Communities

Empowers faith leaders to reach everyone, regardless of language or hearing status.

How

Simple Setup

Forum connects to your existing audio system and deploys in seconds.

Easy Access

Members scan a QR code or enter a PIN to receive translated audio and captions on their own device.
